Citrus Farm Tour & Fruit Picking

(Seasonal package / Minimum 15 guests)

Tour a citrus farm, enjoy fresh fruits at one of the Sundays River Valleys groves.

There’s no perfume as sweet as the fragrance of citrus blossoms, and few sights are as beautiful as a citrus orchard bursting with oranges and lemons.

Keep in mind that some operations are closed off-season (and sometimes on weekends), so be sure to check in advance before you visit.

Also, inquire when their harvest will be at its peak because there’s nothing quite like seeing a citrus orchard going (and growing) strong.
